

FROSTGUARD R30 INSULATED BLANKET

- 22X30 IN GREEN

RGSE1062FG

Details

Never wrap your pipes in cold weather with unsightly homemade wrap again. The FrostGuard Insulated Blanket constructed of 14 oz. vinyl fabric is designed with fire retardant protection and offers excellent anti-mildew and UV inhibitors. Edges reinforced with double row machine stitching with reinforced grommets on bottom seam for padlock installation. Year around pipe protection. R30 insulation rating. Forest Green.

- R30 insulation rating
- Rugged construction with reinforced stitching
- Reinforced grommets on bottom for padlock
- Treated with anti-mildew and UV inhibitors
- Can be left on year round
