

Hotshot Multi-Pattern Hose Nozzle - 3/4 in FHT RGWDN075HSM

Details

If you could have one nozzle, this would be it. This heavy duty Hot Shot sprays hot spots, jet cleans equipment and soaks even the most delicate plant material. The Hot Shot is available with a lavender nozzle for use in non-potable applications. Made with heavy duty aluminum construction.

- Versatile, heavy-duty
- Sprays hot spots, jet cleans, or soaks
