

Rain Bird Easy Fit Compression Adapter

- 3/4" FHT

RGX43007

Details

Reduces inventory costs: Multi-diameter compression fittings work with a wide range of 16mm - 17mm tubing or dripline. Saves time and effort: 50% less force is required to connect tubing and fittings versus competitive compression fittings. Adapters swivel for easy installation. Provides increased flexibility: Just three Easy Fit Fittings and five Easy Fit Adapters are needed to make over 160 combinations of connections, accommodating countless installation and maintenance situations. Works with all 16-17mm dripline and blank tubing. Patented fittings and adapters are molded from UV-resistant and durable ABS materials. Removable flush caps can be used to flush end of line and temporarily cap off lines for later expansion. Not recommended with subsurface irrigation
