

Husqvarna 125B Handheld Blower 28CC

RHV125B

Details

Revolutionary handheld blower that combines high power with state-of-the-art ergonomic design. The blower tube is engineered to be in line with the handle, minimizing rotational force on the wrist. The 125B blower is perfect for homeowner use.

- Stop switch automatically resets to the ON position for easier starting
- Fan speed can be set for easier handling
- The blowing tube length is adjustable for best performance
- The controls are well gathered and easy to access
- Removes air from carburetor and fuel system for easy starting
- The fan housing is engineered so that the air stream is in line with the handle. This reduces stress on the wrist and arm
