

Husqvarna 360BT Backpack Blower

65.6CC Tube Mount

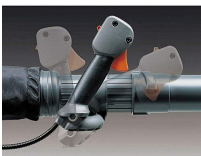

RHV360BT

Details

Need real power from a backpack blower? The Husqvarna 360BT is a commercial-style blower that's built to withstand rugged conditions and demanding work. Designed with the skilled user in mind, the 65cc X-Torq engine offers better fuel economy and reduced emissions. Plus, the professional-style air filter is easily changed. An adjustable harness and ergonomic handle (with cruise control) improve operator comfort, letting you work until the job is done.

- High blowing capacity
- Load-reducing stress
- Utilize full blow force with minimal arm strain
- Air Purge
- Adjustable Handles
