

Husqvarna 560BTS Backpack Blower

65.6CC Tube Moun

RHV560BTS

Details

Are you a professional who won't compromise on power? The Husqvarna 560BTS is a powerful commercial backpack blower designed for the most demanding tasks. Heavy air flow and high air speed are delivered by an efficient fan working in harmony with the X-Torq engine. The pro-grade air filter ensures a long operating time and trouble-free use season after season. Plus, you'll always feel comfortable with the wide shoulder straps on the harness.

- Tube Mounted Throttle
- Powerful X-Torq engine design reduces harmful exhaust by up to 60%
- Increased fuel efficiency by up to 20%
- Easy starting engine combines with efficient fan design for high air speed and flow
- 232. mph air speed
- Low Vib
- Ergonomic handle adjusts to fit the operator; comfortable rubber grip
- 97 dB(A) sound pressure at operator's ears
- Cruise Control
- Harness has wide shoulder straps for comfort
