

Husqvarna 580BTS Mark II Backpack Blower 75.5CC Tube Mounted RHV580BTS

Details

The 580BTS is the most powerful Husqvarna commercial backpack blower designed for demanding tasks. Large air flow and high air speed are provided by an efficient fan design with the powerful X-Torq engine that reduces exhaust emissions by up to 60% and increases fuel efficiency by 20%. Centrifugal air cleaning system reduces large dust and debris before reaching the air filter. The 2-stage intake air filtration ensure long operation in dusty conditions. Easily adjustable soft-grip handles. Wide, padded shoulder straps and hip belt for comfort. Throttle mount. 4.3 hp, 75.6cc, 7,200 rpm, 907.6 cfm, 206.2 mph, 26.9 lbs. 2 year warranty.

- X-Torq engine design reduces harmful exhaust emissions and increases fuel efficiency
- Tube Mounted Throttle
- Easy starting engine, combined with efficient fan design, delivers high air speed and air flow.
- 2-stage intake air filtration ensures long operation periods in dusty conditions
- Centrifugal air cleaning system removes larger dust and debris particles before reaching the air filter
- Fewer air filter cleanings required
- Improved engine life
- Air Purge removes air from carburetor and fuel system for easy starting
- Comfortable, ergonomic harness is ventilated; hip belt & wide shoulder straps
- Easily adjustable soft-grip handle for comfort
