

Master Lock 3 - 3/4 in Keyed Different

RML301

Details

1-9/16" upgraded laminated steel pin tumbler padlock for commercial use. Provides greater strength against physical attacks than competitive alternatives. Hardened steel and boron alloy shackles for extra cut-resistance. Layered steel plates with countersunk rivets to repel attacks. Hardened steel bottom plate. Drill and plug-puller resistant. Superior cylinder and key protection. Protective gray "Commercial" top and bottom body bumpers to cover all edges, preventing scratches to surfaces.
