

No-Spill Poly Gas Can - 5.0 gal - Red

RNS1450

Details

This easy-to-use gas can features a pushbutton pour control nozzle with a fast flow 3 gallon per minute funnel spout that automatically stops fuel flow when the tank is full. No more guessing or overfilling. No gas can spillage if tipped over. Designed with a wide base and stainless steel filter screen to prevent dirt and debris from entering the tank. Clear strip on 1.25 gal. and 2.5 gal. allows visual fuel level. Rear handle on 5 gal. gas and diesel containers provides easy pouring. Heavy duty polyethylene body. The 6" flexible hose extension fits all No-Spill gas cans, sold separately. EPA and CARB Complaint (California Air Resource Board). Available in Red (gasoline) or Yellow (diesel). Made in U.S.A.

Please note: Due to excessive air freight charges, this item will be shipped ground freight.
