

Newstripe 4250 Airless Striping Machine

RNS4250

Details

This economical, high pressure airless field and pavement striper has the great features of larger units but the lightweight design makes it easy to push across the roughest surfaces. The ergonomic four-wheel design quickly and easily produces straight 2" to 6" wide lines. Plus, the 0-3000 psi adjustable pressure pump lets you spray perfect bright lines efficiently without wasting paint. Compact in design to quickly and efficiently stripe without time consuming and costly set up.

- 190 cc Briggs & Stratton engine
- Accepts 5-gallon pail
- All-welded steel construction
- Sprays water-base or oil-base paints
