

White Line Traffic Paint Striper

RP03040WL

Details

A versatile and durable aerosol paint striper featuring a universal spray tip activator that works with nearly every brand of paint. The heavy-duty metal body construction, folding handle for storage and transport, 10" wheels with high impact plastic rims and rubber tread tires and a bottom wind block preventing overspray are a few of the features. Adjustable spray width to stripe a 2" to 4" line. Convenient built-in 12 case storage tray for easy access.

- Durable Metal Construction
- Universal Design
