

Field/Aggregate Rake 36in RP12036

Details

Engineered to the specification of landscapers and professional baseball grounds crews. On one side, the rounded teeth provide smooth non-gouging raking action, while the other side with an extended grading edge specifically for levelling. The 66" powder-coated blue aluminum handle with non-slip vinyl grip and strong wrap-around bracing take a real beating and still provide for long lasting, comfortable performance. Durable, lightweight.
