

Hole Paint Applicator RP1510

Details

The Hole Paint Applicator makes spraying putting cups so easy. Simplly place disk in the bottom of the cup. Next, place the Hole Paint Applicator over the hole to protect from overspray. Set the specially designed R&R paint can on the Hole Paint Applicator then press and rotate a full 360 degrees for an even spray. The result is a bright white cup the players will enjoy.. So easy and safe.
