

Rapid Seal

RP20-146

Details

A durable black sealant that forms a protective skin that is both tough and flexible. Seals cracks, resists rust and corrosion, and blocks moisture. Can be used in a variety of applications---to seal leaky gutters, rustproof the underbody of a car, protect a pruned tree. Dries fast, does not sag, and can be topcoated.

Please note: This product is restricted from air freight, and will only be shipped ground freight.
