

Seals-It - Black

RP20-148

Details

Multi-purpose sealant that adheres to any surface, with the flexibility and durability to hold up under the most demanding conditions. Due to its thermoplastic elastomer base, this sealant will not crack in cold temperatures, is impervious to water, and protects substrates in corrosive environmental conditions. Suggested uses: skylights, flashings, air vents, driveway and sidewalk cracks, gutters, shingles.

Please note: This product is restricted from air freight, and will only be shipped ground freight.
