

Marking Paint - Asphalt Coat

RP20-701

Details

Cover permanent marks on asphalt without the hassle of paint stripper. The jet black coating is asphalt-based and identical to standard driveway sealers. It is quick drying, highly durable and traffic ready in 60 minutes. Makes stripes 2"-4" wide and 250' long. Can be used by hand or with the traffic marking wand.

Please note: This product is restricted from air freight, and will only be shipped ground freight.
