

Valve Box Marker- 2in x 4in

RP409

Details

Make it easy to identify your valve boxes. These 2" x 4" plastic markers provide your custom message or number to quickly and accurately identify each valve box. Attach with 4 screws to the top of the existing valve box lid. Available in black, white, red, yellow, blue, orange, green, pink or lavender (effluent). Call R&R to specify message and color selections.
