

Cool Tops Canopy with Fan, Fits 17 Degree Forward Roll Bar (2017 & Newer), Red R151730

Details

Stay cool and work in comfort with a Cool Tops canopy and fan installed on your equipment. The canopy provides the operator with shade while the overhead 16", 12 Volt fan produces a "Down Draft System" creating a clean, cool breeze on hot days to keep dust, sun, debris and insects off the operator. Durable poly canopy with welded steel frame. If required, Adapter Bar or Shims sold separately. Roll bar not included. Red canopy.

Fits Toro 17 degree forward Roll Over Protection System (ROPS), 2017 and newer.
