

# Atom Pro Cart Path Edger

## RSG5000

### Details

A highly maneuverable, incredibly fast and easy-to-use edger armed with a powerful, full crank, commercial 35cc 4-stroke Honda engine. Experience power enough to tackle even the most overgrown areas in just one pass and built to commercial standards. Designed with through-hardened spring steel 10-2/3" (271 mm) blades for durability. The overlapping 4-blade cutting system combined with the powerful engine gives 90% faster speed than traditional edgers, and the unique wheelbarrow design makes the Atom incredibly maneuverable. The fully enclosed blade guard and debris deflector provide supreme safety. Ideal for baseball fields, along curbs and around tight corners. Turn sideways to edge against walls and fences. Six position height adjustment. 35cc Honda engine. Please note: This product is restricted from air freight and will only be shipped ground freight.

- Commercial Honda 35 cc 4-cycle engine
- 10 2/3" hardened spring steel blades
- Spiral bevel 3.5:1 reduction gears
- Solid steel precision ground transmission shaft
- Reinforced super-strength polyamide casing
- Precision ground bearings throughout
- 6" rubber-tired wheel with axle seals
- Tubular steel anti-vibration handles with cross-brace for extra stability
- Heavy-duty automatic centrifugal clutch
