

Spyker 120 lb Drop Spreader - 120 lb - Steel Hopper

RSPP70-12010

Details

This 36" (9143.4 mm) commercial drop spreader is ideal for spreading seed, fertilizer, sand and ice-melt all year long. Features side-by-side hopper sections allowing the spread of either 18" or 36" width exactly where you want it. In winter, apply ice melt to sidewalks and driveways to the edge of the pavement without burning the grass or raising the pH of the soil. 13" x 5" (330.2 x 127 mm) fully pneumatic tires. Powder coated steel frame. Please note: Due to excessive air freight charges, this item will be shipped ground freight.

- 36" Commercial Drop Spreader
