

Xtreme Trimmer Rack w/Cutter (1-5 lb)

RT3231

Details

This convenient rack holds 1 lb to 5 lb spools of trimmer line with a built-in, fast-action, never-dull cutter. Always ready to use, simply pull out the desired length, cut, and then lock the reel in place to prevent line from unspooling. Eliminates lost or damaged spools of trimmer line and wasted time searching for cutters. Zinc plated. Includes hardware. Fits open or enclosed trailers.
