

Underhill Turbotrim Sprinkler Head Trimmer - Handle Only

RTTTRT-100

Details

Finally a golf sprinkler head trimmer is designed with a ratchet mechanism to make cutting so much easier while producing a clean steady cut. The TurboTRIM Pro Ratchet Series trimmer operates by placing over the sprinkler head and simply moving the handle left and right in a forward and reverse ratchet motion. No turning completely around. Easy to use, giving a more accurate trim. Super heavy duty steel construction with powder coated finish. Order cutting blade separately.

- Ratchet mechanism easily makes a clean, steady cut
- Place over sprinkler head and move handle left and right
