### Details

The greensIRON turf roller is one of the top rated golf greens rollers in the world and is used by golf course superintendents everywhere. Wood Bay Turf Technologies' greensIRON turf roller will raise the standard of your golf greens to Tour quality: CONSISTENT, TOUR-QUALITY GREENS. Golfers will love the smooth putting surfaces achieved with the greensIRON 3900. FAST, EFFICIENT AND ECONOMICAL. Our uniquely designed handle bars allow for ease of steering. The Hydro-Gear makes the transition from one direction to the other very comfortable for the least experienced operator. Our rubber-tracked drive roller provides superior climbing ability on the steepest, undulating greens and approaches. Load and unload in seconds. LOW MAINTENANCE. The greensIRON 3900 has a very easy to maintain Hydro-Gear hydrostatic pump, hydraulic motor and Honda motor. Servicing the 3900 takes only minutes with four grease points.
