

Adventure Sun Protection Hat - Cream

R5018

Details

Stay comfortably protected from the sun's UV rays with the Adventure Sun Protection Hat made of durable, water resistant, rated 50 UPF Supplex nylon. The oversized crown with large mesh side panels permits a cooling breeze to flow through, while the internal CoolMax sweatband controls moisture. The 4" brim provides shade for your entire face while the 7.5" cape shades your neck and ears. Adjustable elastic back and nylon chin strap. Available in Medium or Large size. Cream.
