

# Dickies Double Knee Work Pant

RDK85283

## Details

Whatever your job, THIS work pant's for you. Wash after wash, the easy-care fabric resists staining and keeps a sharp crease without ironing. Work on your knees a lot? You'll appreciate the extra layer of fabric reinforcement; knees don't wear thin and blow out. Its slightly wider leg opening fits over boots. Dickies signature belt loops are strong enough to support even heavy tool belts. Plus, the roomy fit is perfect for kneeling, bending and getting in and out of trucks. 8.5 oz. Twill fabric, 65% Polyester/35% Cotton.
