

3M E-A-R One Touch Earplug Dispenser

Base

R3M391-1000

Details

This quick, clean and convenient earplug dispenser is designed to hold a refill bottle of 1000 uncorded foam earplugs which dispense one at a time. Simply place the earplug bottle into the base and gently turn the handle. A single earplug drops in your hand providing the amount needed without waste or contamination. Countertop or wall mounted. Reusable base. Refill bottle sold separately.

- Quick, clean convenient dispenser
