

Full Length Solid Panel Enclosure

RP106030

Details

Elegance combined with maintenance-free construction make this enclosure the perfect outdoor accessory for any course. Never paint or stain. Constructed with stainless steel screws. Will not rot, splinter or chip. The solid wall, slat-look design keeps your 10 gallon water cooler and 10 gallon Rubbermaid trash container dry in wet weather. Side opening for access to inside mounted cup holder. Swinging trash door. Sliding Lexan doors to protect cooler spigot and cup dispenser available. Rubbermaid container included. Rear door access with built-in flush mounted lock included. Cooler and cup holder sold separately. Available in Green, Driftwood or Black.

- Maintenance-free recycled plastic lumber
- Stainless steel screws
- Side opening for cup holder
- Swinging trash door
- Optional Lexan door to protect spigot available
