

Tapered Litter Container w/Spike

RP13700

Details

Keep litter under control with mesh stainless steel litter containers featuring heavy duty carbon steel rims top and bottom with powder-coated finish. See-through design allows crew to determine which containers need to be emptied while allowing air circulation for reduced odor. Tapered-shape design keeps trash inside the container on windy days. Turf Spike design ideal for ball washer console or directly on grass surface. Turf Spike protects grass and allows for easy removal for mowing. 9 gallon capacity.
