

EGO 615CFM Blower - Includes G3 2.5AH Battery & 210w Charger

REGLB6151

Details

The 615 CFM EGO Power+ Blower combines power and performance! With air speeds up to 170 MPH, this blower can move heavy debris with ease. The lock-on speed-control dial allows you to adjust your speed from 200 CFM to 480 CFM for ultimate control. When you are ready to power through heavy debris, hit the turbo button for 615 CFM! All this industry power is combined with run times; over 75-minutes of continuous run time. The high-efficiency brushless motor delivers longer run time, low vibrations, and an extended motor life. Turbine fan engineering, inspired by advanced aeronautics technology, performs better than premium gas-powered models. The included tapered nozzle makes clearing debris in all conditions easy. This quiet, lightweight and compact blower gets the job done faster and quieter than gas! Experience Power Beyond Belief without the noise, fuss and fumes. Compatible with all EGO Power+ ARC Lithium batteries. Includes G3 2.5Ah battery and 210W charger. Please note: This product is restricted from air freight, and will only be shipped ground freight. Please note: This product is restricted from air freight, and will only be shipped ground freight.

- Turbo Button Delivers a Staggering 615 CFM
- Ergonomic Design for Superb Balance and User Comfort
- Variable Speed Control Dial Delivers 200 - 480CFM plus Turbo button 615CFM
- High Efficiency Brushless Motor
- Recommended for Use with EGO 56V 2.5Ah Battery for 75 Minutes of Continuous Run Time on a Single Charge
- Weather-Resistant Construction
- Includes G3 2.5Ah Battery and 210W Charger
