

EGO 56V G3 4P 10.0AH Battery with Fuel Gauge

REGBA5600T

Details

The 10.0Ah ARC Lithium Battery is the industry's most powerful battery. Fully equipped with an upgraded fuel gauge. The built-in indicator lights lets you see how much run time you have left. With 5 segments wrapping the power button, you can now see how much battery power you have left in 20% increments. The ARC Lithium battery technology is the industry's most advanced; equipped with patented Keep Cool Cell Technology; which keeps the cells cool and prolongs the life of the battery. Please note: This product is restricted from air freight, and will only be shipped ground freight
