EGO 650CFM Handheld Blower - Includes G3 5.0AH Battery & 210w Charger w/1in Flat Nozzle and 1in Cone Nozzle

REGLB6504

Details

The 650CFM EGO Power+ Blower features air speeds that compare to a category 5 hurricane of 180 MPH . This blower can move wet leaves, rocks, mud, snow and more. With an all new lock-on speed control dial, you can adjust your speed from 250CFM to 500 CFM. When you are ready to move the heavy debris, hit the turbo button for 650CFM. All of this power is combined with run times over 90 minutes of continuous run time. The high-efficiency brushless motor delivers longer run time, low vibrations and an extended motor life. Turbine fan engineering, inspired by advanced aeronautics technology, performs better than peremium gas-powered models. The included flat and tapered nozzles make clearing debris in all conditions easy. This quiet, light-weight and compact blower gets the job done faster and quieter than gas! Experience Power Beyond Belief without the noise, fuss and funes. Please note: This product is restricted from air freight, and will only be shipped ground freight Please note: This product is restricted from air freight, and will only be shipped ground freight.
