

Solo Battery Powered Backpack Sprayer - 4 gal RSL441

Details

The Solo 441 4 gallon Lithium-ion sprayer with a large 4.75in opening, is perfect for medium to large spraying jobs. Avoid the hassle of pumping, with the 11v Lithium-ion Battery providing 2.5 hours run time and fast 2 hour charging time. Designed with an 11v diaphragm pump, 37.5 PSI, and commercial shut-off valve with lock-on / lock-off feature to reduce operator fatigue. The 20in unbreakable wand can be stored in the wand holder for damage protection while the 48in nylon reinforced high-pressure hose offers extended reach. Multi-spray pattern nozzle with three different settings at the turn of the dial: Jet Stream, Flat Spray and Full Cone Mist. Stable tank base ensures the sprayer will not tip over when filling. Adjustable padded straps and integrated carry handle. Lithium-ion Battery. 4 Gal Please note: This product is restricted from air freight, and will only be shipped ground freight.
